

日本語講座 (NIHONGO CLASS)

Credit to owner: photo from the internet

- 外国籍の方で、まだ十分に日本語が話せない、読めない方々を対象とし福祉部活動として日本語講座を始めました。1年後に、ミサで使用する聖書と典礼が読めるように進めています。
- Foreigners around the hood! Nihongo class for beginners has just started in Kozu Catholic church. This aims to gain basic communication skills in Japanese for your everyday living. Lessons are outlined for a year, hopefully, also intends to at least, understand the readings during a Japanese mass.
- Sa mga kababayang Filipino na nagnanais matuto ng wikang Hapon at pangkaraniwang kaalaman tungkol sa bansang Hapon, ang pagkakataong mag-aral nang simple at kaaya-aya ay narito lang! Bukas ang pinto ng simbahan para po sa inyo.

Every Sunday after mass 10:30~
